VISAL CHANDHRAN
TECHNICAL SUPPORT
ENGINEER

ABOUT ME

I am a technical support engineer with 2 years of experience in providing technical support and also served as project manager. I am searching for a challenging job in a progressive company where I can use my skills to benefit the company while also enhancing my own abilities.

EXPERIENCE

TECHNICAL HEAD at MEDPG | 2020 - 2022

- Medpg, a company that offers e-learning services for various clients. They provide online learning applications for students preparing for exams such as NEET/JEE/CUET, MBBS,MS/MD Entrance Examination, and CA.
- My responsibilities include providing application support for clients/users and technical support for employees.
- Project Management
- Incident Management
- Handling Networks
